STIHL Dealers Go the Extra Mile for Your Business

We keep your fleet running smoothly because we know your tools, your business and most importantly, YOU. Can those larger big box stores say the same? Stop by our Dealership and see why we mean business when it comes to your business.

STIHL[®] STIHL Mail Center
231 N. Main St.
Cape Girardeau, MO 63701

**AIR VELOCITY
OVER
200 mph?**

No, it's not a hurricane...

**IT BLOWS AWAY GRASS,
DEBRIS, & EXPECTATIONS**

**BR 600 MAGNUM®

†The actual listed guide bar length can vary from the effective cutting length based on which powerhead it is installed on.

BG 86 HANDHELD BLOWER

\$249⁹⁵

- ▶ Powerful, professional handheld blower with fuel-efficient engine
- ▶ Features integrated throttle lock and stop switch for convenience
- ▶ Includes both flat and round nozzles
- ▶ Soft grip feature for comfort

BR 430 BACKPACK BLOWER

\$409⁹⁵

- ▶ Delivers the fuel economy and operator comfort that professionals need for tough cleanup tasks
- ▶ Dependable, powerful blower provides better fuel economy and cleaner emissions than standard 2-stroke engine
- ▶ Anti-vibration system helps reduce operator fatigue

NEW! MS 193 T CHAIN SAW

\$329⁹⁵

For in-tree professional use only!

- ▶ An affordably priced top-handle gasoline-powered chain saw designed for professional arborists
- ▶ Compact top-handle design makes handling easier and results in less operator fatigue
- ▶ Scavenging engine technology reduces fuel consumption and exhaust emissions

MS 291 CHAIN SAW

\$489⁹⁵

- ▶ Farm and ranch chain saw with reduced-emission engine technology
- ▶ Great for felling, firewood cutting and storm cleanup operations
- ▶ Pre-separation air filtration system extends filter life

2 YEAR WARRANTY **INDUSTRY-LEADING DURABILITY, GUARANTEED.**

Lawn care professionals depend on their equipment to last. That's why STIHL lawn care equipment comes with a two-year limited warranty and limited lifetime drive shaft and clutch warranties on select models. See your Dealer for details.

SPRING MAINTENANCE CHECKLIST

- ▶ Spring is a good time to inspect your equipment. Replace any parts that are broken or damaged.
- ▶ STIHL Dealers specialize in equipment repair and are available if you need help with advanced repair or maintenance tasks.
- ▶ Re-tighten screws and nuts, check condition of spark plugs and power cords, sharpen or change saw chains, and replace trimmer line.
- ▶ Check air filters for dirt and damage to determine if any need cleaning or replacement. Clean debris from blowers and trimmers as well.
- ▶ Use STIHL MotoMix® Premixed Fuel, a patented combination of fuel stabilizers and premium octane gasoline. STIHL MotoMix® maintains stability for up to two years after the seal is broken.
- ▶ For a comprehensive list of maintenance and repair instructions, refer to your product's instruction manual.
