## THE LAST PHONE YOU'LL **NEVER** HAVE TO BUY!

### With Vast TeleCloud you get:

- All the phones and service you need for one monthly rate
- Free maintenance and support
- Smart cloud-based features, including call reporting and recording
- A web-based management portal

“It's nice that with a cloud-based system someone else is investing in the technology and upgrading it. We are just benefiting from that investment... as technology changes we don't have to reinvest, we just get increased functionality and better service.”

- Jim Vachal R. Ph  
Administrator of Brown Clinic in Watertown, SD
